

Political science graduate (EKU) seeking advocacy and program work in Northern Kentucky — helping people get through systems that are hard to get through, and building the tools that make them easier. Quantitative policy research in R, three years of frontline public education experience, direct service work at Lexington's Hope Center, and hands-on technical work as founder of Lockard Tech, with a working interest in how government adopts and regulates new technology.

EXPERIENCE

Founder and Owner, Lockard Tech

Covington, KY · 2026 – Present

- Founded a technology venture providing web development and IT support for small businesses and nonprofits in the Covington area, with a growing focus on civic technology and AI/digital policy.
- Currently building out initial client relationships and a civic tech project aimed at making local government proceedings more accessible to residents.

Substitute Teacher, Fayette County Public Schools

Lexington, KY · 2022 – 2025

- Taught across grade levels and subject areas on short notice, adapting lesson plans left by regular classroom teachers to keep instruction on schedule.
- Established order and engagement with unfamiliar classes daily, managing group dynamics without the benefit of an existing relationship with students.
- Worked inside one of Kentucky's largest school districts, observing firsthand how education policy and resource allocation affect students, families, and staff.

Server and Bartender, Chili's Bar and Grill

Lexington, KY · 2015 – 2020

- Provided high-quality guest service and prepared diverse beverages in a high-volume setting.
- Performed accurate cash handling and register operations, maintaining financial accountability for all transactions.
- Maintained rigorous cleanliness and sanitation standards in strict accordance with health guidelines.
- Demonstrated consistent adaptability and professional composure while multitasking in a fast-paced environment.

SKILLS

RESEARCH & DATA	Quantitative research design; statistical analysis in R; national survey datasets (ANES); data cleaning and conditioning; policy analysis
COMMUNICATION	Public speaking and instruction; writing for non-specialist audiences; working with diverse populations
WEB DEVELOPMENT	Custom HTML/CSS (Flexbox/Grid), responsive design, AI-assisted development workflows
INFRASTRUCTURE & IT	Linux server administration, DNS management, website hosting, hardware and software troubleshooting

EDUCATION

Eastern Kentucky University

Bachelor of Arts in Political Science

Richmond, KY · August 2025

GPA: 3.47 (EKU) | 3.50 Major — Dean's List, Spring 2025

CAPSTONE RESEARCH

"What Explains Attitudes Toward Christian Fundamentalists in the United States." Independent quantitative study using the ANES 2016 dataset and R — data cleaning, statistical analysis, and written presentation of findings for a non-specialist audience.

RELEVANT COURSEWORK

Introduction to Public Policy, Public Administration, Law & Politics of Civil Liberties, Introduction to Law, Research & Writing in Political Science, Global Security, Terrorism & Political Violence, Homeland Security, Public Finance, Intelligence Process.

CERTIFICATION

5-Year Substitute Teaching Certificate (Rank IV)

Valid July 2025 – June 2030

Education Professional Standards Board, Commonwealth of Kentucky

COMMUNITY INVOLVEMENT

Community Support Volunteer, Hope Center

Lexington, KY · 2013 – 2014

- Supported staff serving individuals experiencing homelessness and substance-use challenges, including meal service and day-to-day assistance for residents.
- Helped residents navigate available services and referrals, working alongside case staff across partner social service agencies.
